Introduction

The World Federation of KSMC is a faith-based organisation working across the globe.

The World Federation is an NGO in Special Consultative Status with the Economic and Social Council (ECOSOC) of the United Nations.

Our motto is 'We Exist to Serve'.

We believe that all human beings are entitled to basic provisions, and therefore one of our key strategic objectives is to undertake humanitarian projects to achieve this.

The long-term aim of The World Federation is to bring about self-sufficiency within the developing world, through providing access to water, healthcare and education for all.

In addition, the organisation's core values include spreading the true message of Islam as a religion, which emphasises peace and the upholding of human values.
