

THE ELEGANT HIJAB

Hijab...

My protection

Hijab...

My pride

WHAT IS HIJAB?

Hijab is the word used in the Islamic context for the practice of dressing modestly, which all practicing Muslims past the age of BULUGH are instructed to do.

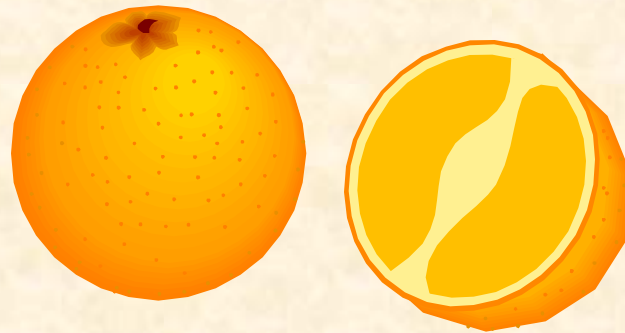

Let us take a few examples:

The **pea** is a splendid plant. It proudly displays its strong green **Hijab**. It protects it from the hot and cold weather and guards it from insects. Allah has blessed the pea with a special **Hijab**, because without it, the seeds would scatter, dry up and die.

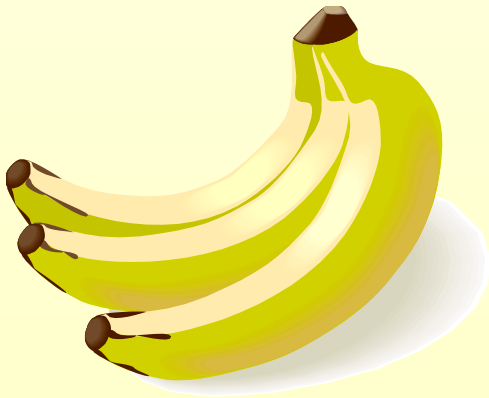

The orange keeps itself
within its shiny
orange Hijab to protect
its delicious fruit.

Otherwise it-looses its taste too.

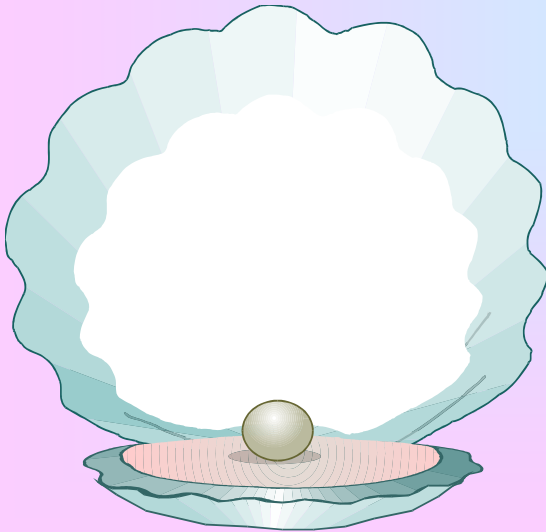

So are the **banana**,
the **coconut** and the
pomegranate.

Each one has an elegant and
unique HIJAB,
which protects it
from disease and destruction.

The jewel of the sea,
the **pearl**, has been given a very tough and
rugged **Hijab** –
oyster shell.

It protects it from sea animals and keeps it
sparkling and shining inside

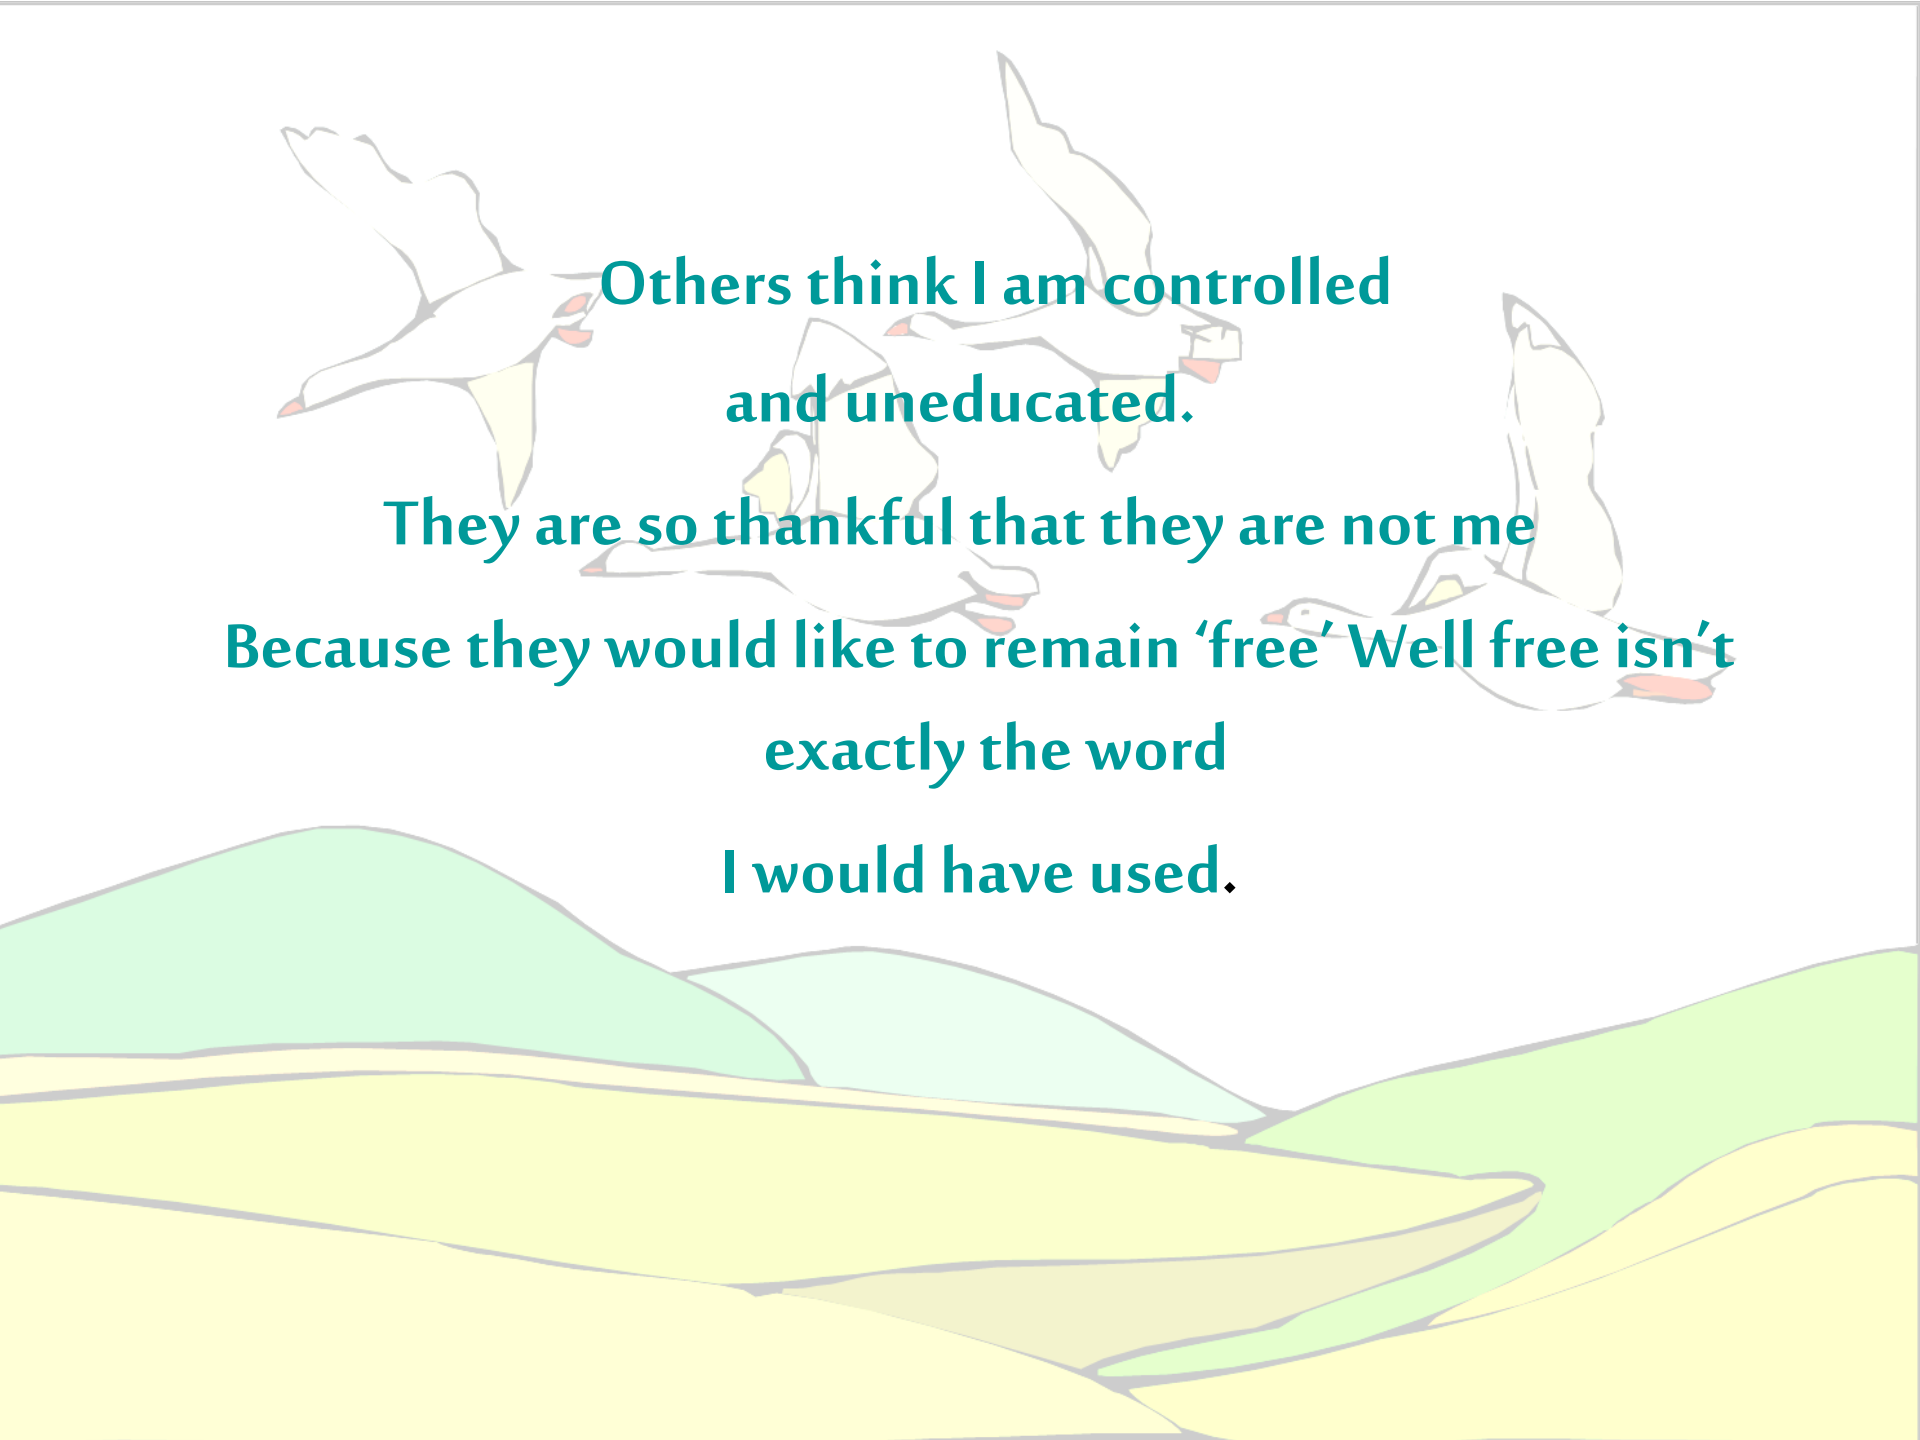

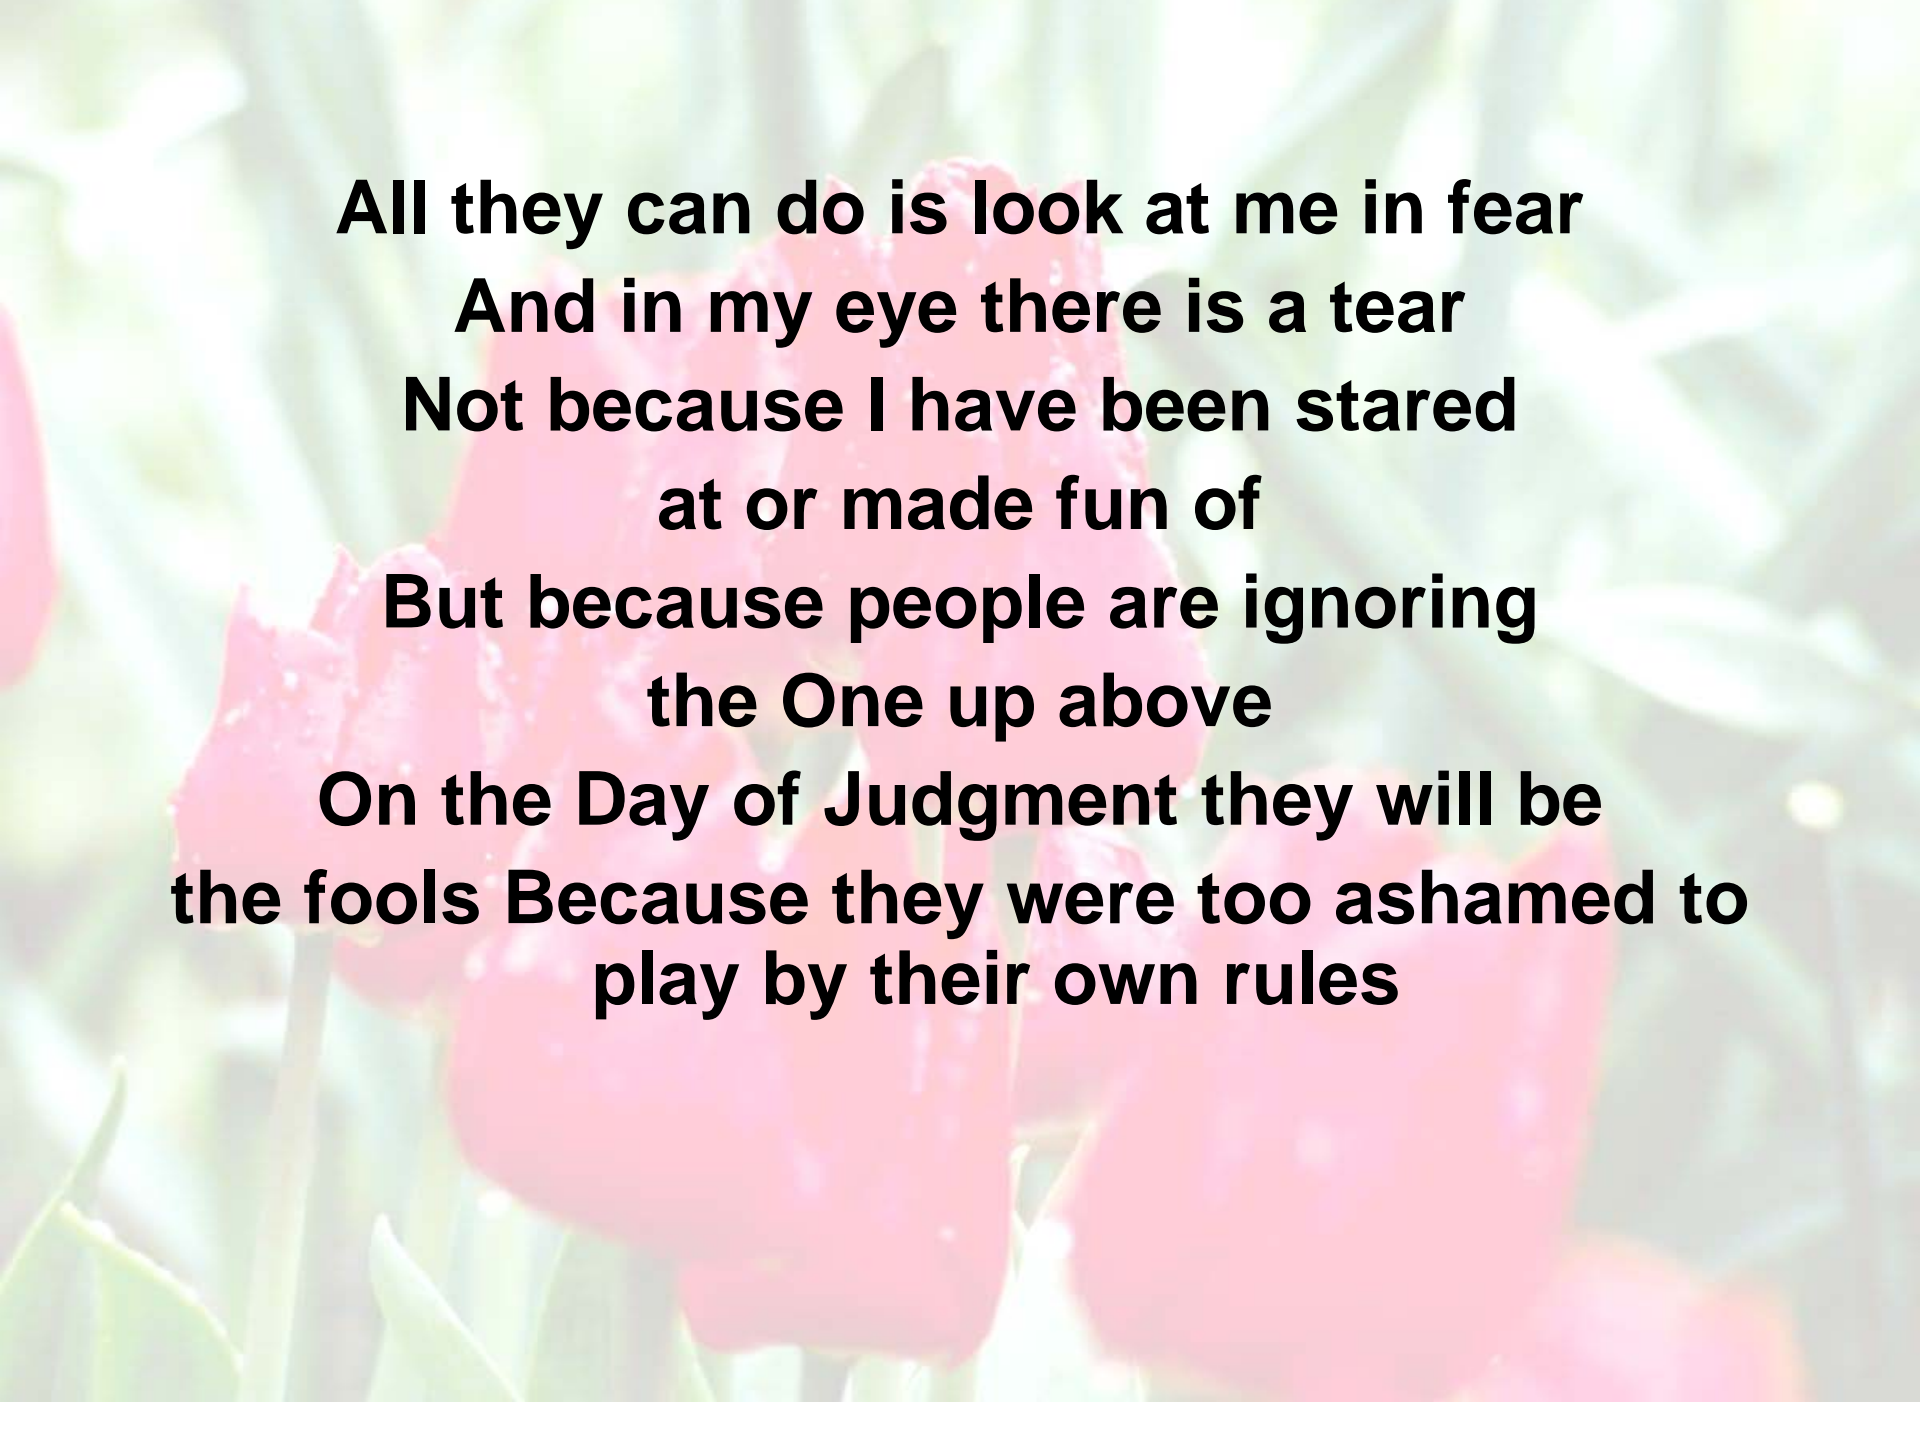

**What do you see when you
look at me?**

**Do you see someone limited,
or someone free?**

**All some people can do is just
look and stare,
Simply because they
cant see my hair!**

**Others think I am controlled
and uneducated.
They are so thankful that they are not me
Because they would like to remain 'free' Well free isn't
exactly the word
I would have used.**

**All they can do is look at me in fear
And in my eye there is a tear
Not because I have been stared
at or made fun of
But because people are ignoring
the One up above
On the Day of Judgment they will be
the fools Because they were too ashamed to
play by their own rules**

**Hooded girls are the ones really
helping the Muslim cause**

**The role that we play definitely
deserves applause**

**I will be recognized because I am
smart and bright**

**And because some people are
inspired by my sight**

My Beautiful Religion – ISLAM

- Considers me like a precious JEWEL;
- A Costly PEARL;
- A Delicate FLOWER;

- To be taken care of, protected and nurtured.
- ISLAM has guaranteed my safety in HIJAB.

- I can climb mountains;
- I can cross the seas;
- I can Expand my mind in all degrees;
- For God Himself gave us LIB-ER-TY
When He sent Islam, To You and Me!

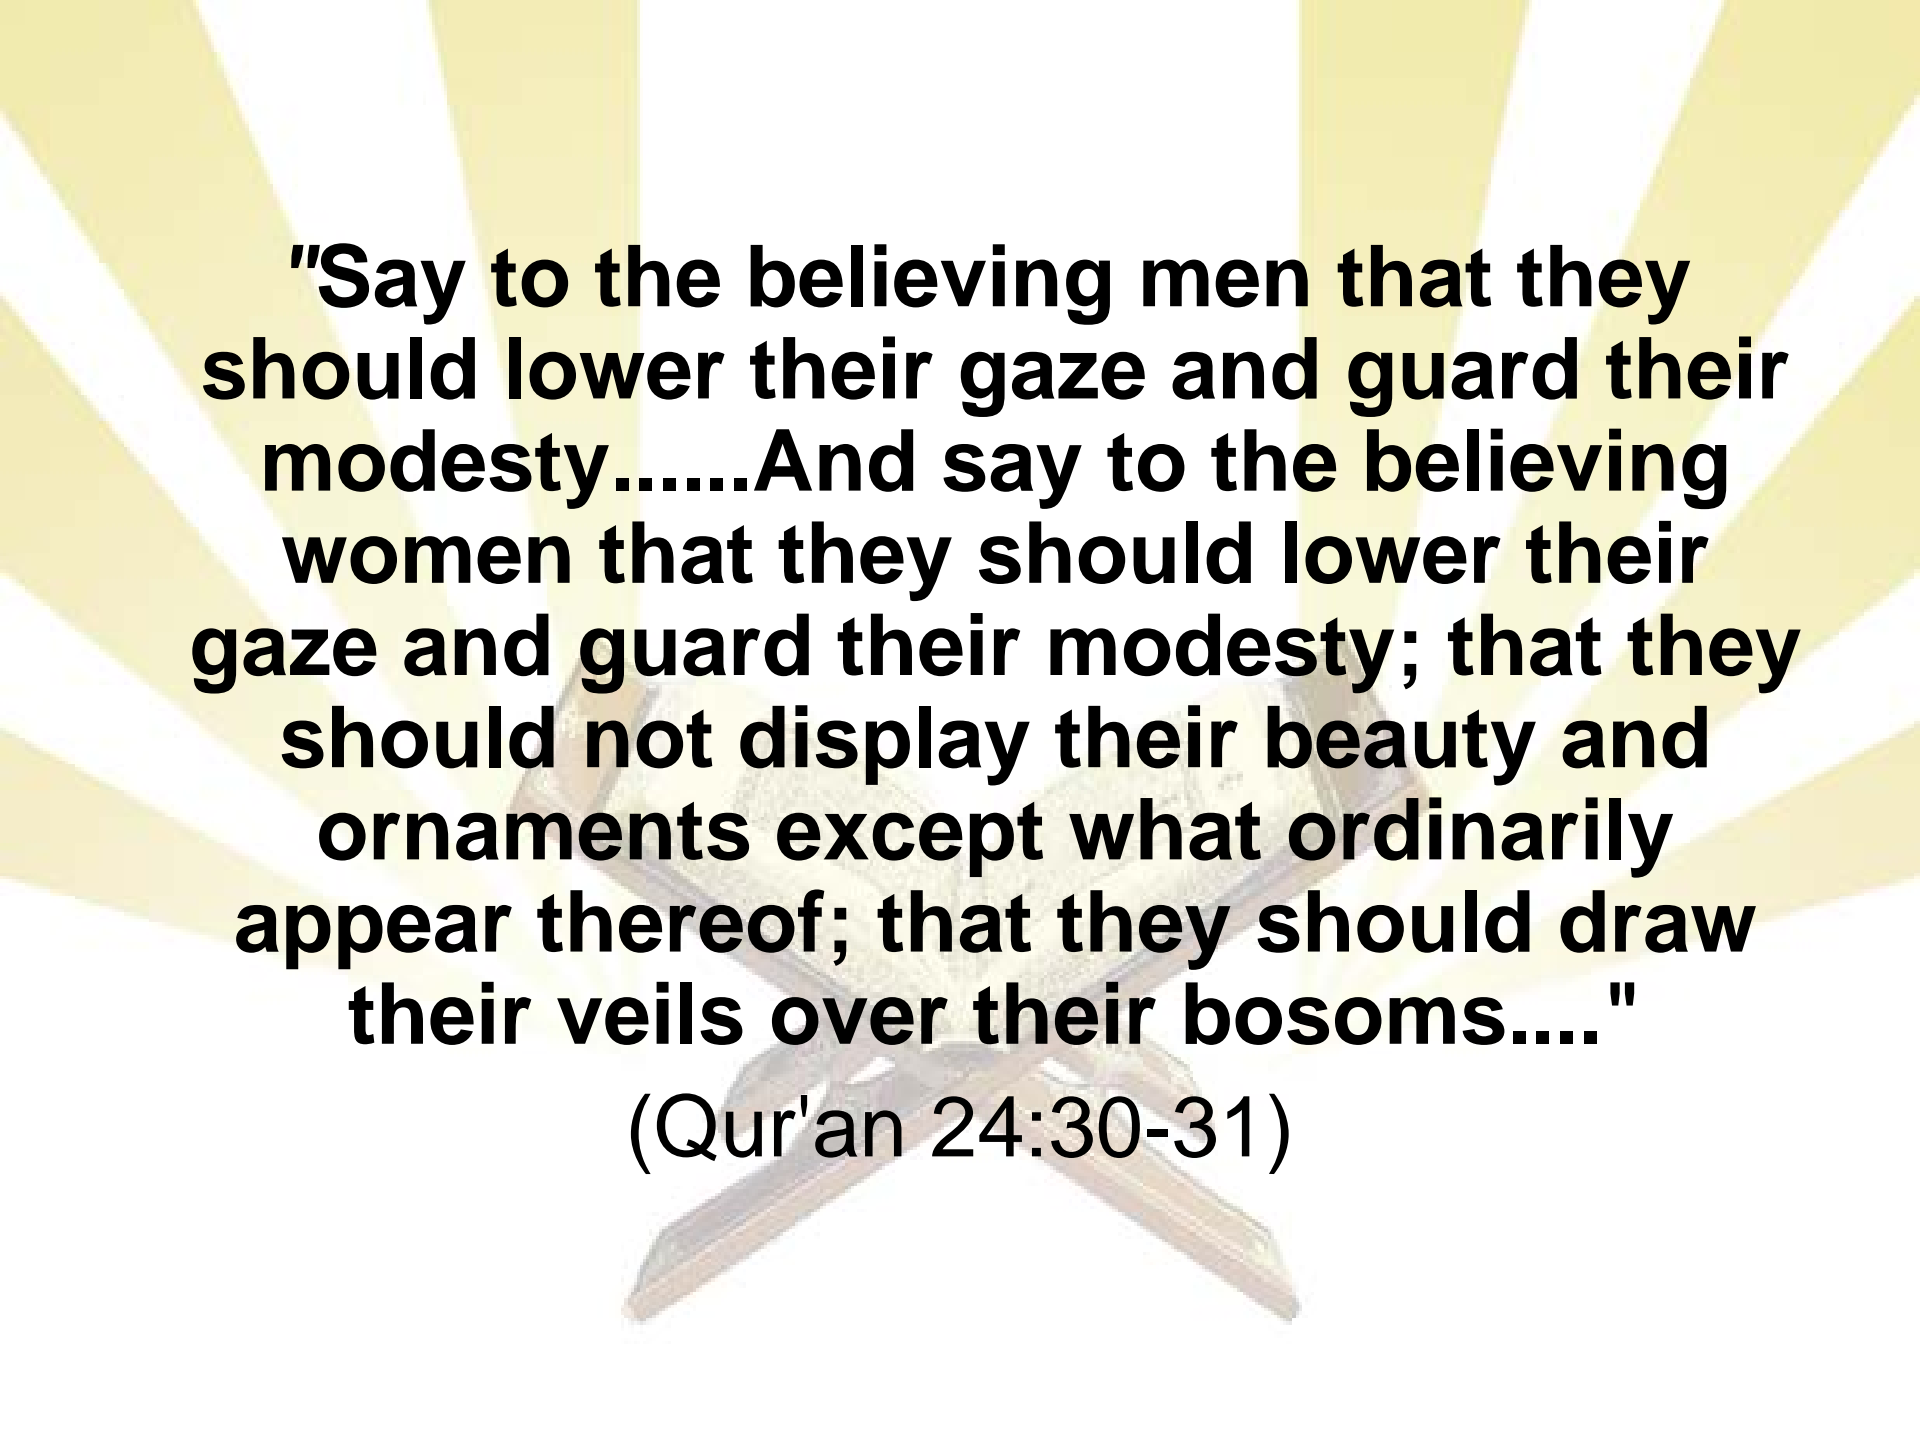

However, the most beloved of Allah in all His creation is the Muslim girl who wears the Hijab. She knows it is a gift from Allah. It protects her from harm, injury and mischief. She wears it knowing it gives her dignity, beauty and respect. So precious she can be that she hides herself beneath her Hijab.

A vibrant red rose is positioned in the lower right quadrant of the image. It is partially obscured by the bottom edge of a large, semi-transparent pink heart. The rose's stem and a few green leaves are visible at the bottom. The background consists of a soft, multi-colored gradient of purple, blue, and green, with a subtle pattern of light rays emanating from behind the heart.

**"Allah does not
look at your body
and face; rather he
looks at your
HEART"**

"Say to the believing men that they should lower their gaze and guard their modesty.....And say to the believing women that they should lower their gaze and guard their modesty; that they should not display their beauty and ornaments except what ordinarily appear thereof; that they should draw their veils over their bosoms...."

(Qur'an 24:30-31)

- Dear Sisters, Let us be Proud Of Our Identity AND
- Let us Practice this Order Of God in the best Possible Way.
- Let us do our Hijab in the right way
- And not make fun of it.
