

# AliAsghar Water Appeal

## '40 water wells in 40 days'

Remember the thirst of the children of Karbala - join our 40 day campaign to raise funds to build water wells in Kenya and Syria

- Over **500,000** children die every year from diarrhea caused by unsafe water and poor sanitation. That's over **1,400** children a day
- The cost of building one **water well** in Kenya is **\$1,750 USD / £1,150 GBP**
- The cost of building 1 community **water well** in Syria is **\$34,300 USD / £22,500 GBP**
- **Sadaqah-e-Jaariya** project - Sponsor a well in full or in part in the memory of a loved one
- Leftover funds will be spent on building **sanitation facilities**
