Thoughts

Water

According to Luqman Hakim, when your stomach is full, this faculty of yours goes to sleep

**Thinking**

This state of mind is more attuned towards an objective (Allah, in this case) and more capable of maintaining a high level of attention and concentration

**Sad**

According to Allah (Most High, Most Sublime), this is a better food

**Hunger**

According to The Prophet (S) pious people take the earth of Allah as a carpet, its soil as a pillow and this as perfume

**Water**

Command used sub-consciously in Prayer to arrest incoming thoughts

**Stop**

When the son of Adam comes to his last day in this world and the first of the next, the following flashes before him

**Children**

When the son of Adam comes to his last day in this world and the first of the next, the following flashes before him

**Actions**

When the son of Adam comes to his last day in this world and the first of the next, the following flashes before him

**Property**

In saying your Prayer, you are supposed to achieve the following quality

**Desirous**

Only this will be your companion in your grave as well as on the Day of Gathering

**Actions**

It is recommended that a worshipper should think of this before every Prayer

**Death**

According to al-Khumeini (AR), this is the main source of happiness in the Hereafter

**Prayer**

While a person is in this position during Prayer, he must be looking down fixing his gaze to the point where he places his forehead while in prostration

**Standing**

According to The Prophet (S), while in the final sitting position the gaze of the person who says his Prayer should be towards his

**Armpits**

This vision is necessary to maintain concentration
