## 'Students Supporting Student's Education'

In the secluded town of Mari Indus, Pakistan a school has been built for girls to continue their higher education. However, they have no science and IT laboratory equipment to further them in their studies.

Our target with your help is to raise **£13,000** and fully equip this school.

Grab a form today and be sponsored to recite a Surah Yasin, Surah al-Fatiha or tasbih or sponsor a student to recite in the name of your Marhumin.

You have the power to build someone's future. Together we can educate a student, one recitation at a time.
